Partnership Opportunities

Beta Alpha Psi

Greetings Corporate Partners!

This year the UNT **Beta Alpha Psi** officer team has put a great deal of time into structuring a sponsorship package to suit your needs. This year we are offering the opportunity to plan your entire experience with UNT's Beta Alpha Psi in one sitting!

The officer team has put together three packages for your sponsorship needs that include admission to our finest activities:

- Platinum Partner,
- Gold Partner, and
- Silver Partner

These packages provide your organization recruiting access to students in our activities, and provide our chapter with resources to cover overhead and student marketing expenses. It also provides the means for our officers and other leaders in the organization the opportunity to attend regional and national **Beta Alpha Psi** meetings, as well as training and leadership camps as they arise. The details of these packages accompany this letter.

Additional marketing opportunities are available by sponsoring specific functions, events, and other special needs. Your firm or company can make an investment in our chapter by sponsoring a table at our **Casino Night**, a hole at our **Golf Tournament** or by sponsoring **Professional Polo's** for the members of our organization, among other opportunities. A special thanks goes out to **Grant Thornton** for sponsoring our Fall Kickoff where new students pledge to our organization, and to **Travis Wolff** for their sponsorship of our softball team which will compete in the Fort Worth Society's Tournament on October 1st!

I encourage you to view the sponsorship opportunities on the following page. Please let us know if there is anything we can do to accommodate or service your needs. Plug into and invest in the **Beta Alpha Psi** experience!

Cheers!
